

ACTIVITE 13 : comment accéder à la FAQ ?

Voici les démarches sur internet :

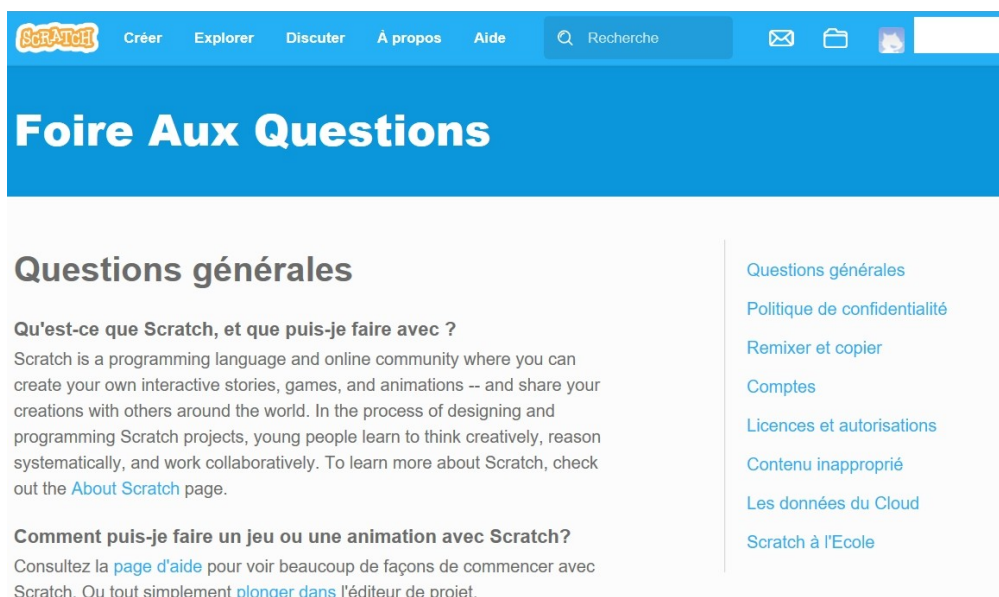

rappel : **FAQ** = foire aux questions

1. cliquer sur le lien FAQ en bas de page pour y accéder

The screenshot shows the Scratch website interface. At the top, there is a navigation bar with the Scratch logo and links for 'Créer', 'Explorer', 'Discuter', 'À propos', and 'Aide'. A search bar is also present. Below the navigation bar, there is a section titled 'Ce que la communauté aime' featuring five featured projects: 'BREAD 2- The Crust of Legends', 'Bluey's Quest', 'Lyrics Taken Literally!!!', '-Dynamic- A Platformer', and 'Build-A-Cake'. Below this section is the footer menu, which is organized into five columns: 'À propos', 'Communauté', 'Page d'aide', 'Juridique', and 'Famille Scratch'. The 'Page d'aide' column contains the link 'FAQ', which is highlighted by a large yellow arrow pointing downwards.

2. accéder à la question qui vous intéresse

The screenshot shows the 'Foire Aux Questions' (FAQ) page on the Scratch website. The page has a blue header with the title 'Foire Aux Questions'. Below the header, there is a section titled 'Questions générales' with the sub-heading 'Qu'est-ce que Scratch, et que puis-je faire avec ?'. The main text explains that Scratch is a programming language and online community where users can create and share interactive stories, games, and animations. It also mentions that young people learn to think creatively, reason systematically, and work collaboratively. Below this, there is another sub-heading 'Comment puis-je faire un jeu ou une animation avec Scratch?' and a paragraph advising users to consult the 'page d'aide' for more information. On the right side of the page, there is a list of links for various categories: 'Questions générales', 'Politique de confidentialité', 'Remixer et copier', 'Comptes', 'Licences et autorisations', 'Contenu inapproprié', 'Les données du Cloud', and 'Scratch à l'Ecole'.
