

ACTIVITE 3 : essayer des projets de demarrage

Voici les demarches sur internet :

1. cliquer sur le texte " essayer des projets de demarrage"

The screenshot shows the Scratch website's main interface. On the left, the 'Bienvenue sur Scratch!' section has three columns: 'Apprendre comment faire un projet dans Scratch' with code blocks, 'Essayer des projets de démarrage' with a colorful butterfly project, and 'Connectez-vous avec d'autres Scratchers' with a grid of user avatars. On the right, the 'Scratch : les nouvelles' section lists updates like 'Update Adobe Flash Player', 'New Community Blog Post!', and 'Wiki Wednesday!'. Below this is a 'Projets Sélectionnés' carousel with five project thumbnails: 'Virtual Photosynthes', 'Mona Lisa Equation', 'THE TURKEY SONG', 'BILL!', and 'TecOS 3'.
